STATE OF NEVADA)
) ss.
COUNTY OF WASHOE)

I, Marsela Kupfersmith, being duly sworn, hereby swear that the following assertions are true of my own knowledge, except as to those matters stated on information and belief, and as to such matters I believe them to be true;

1. My notarized and sworn petition for candidacy as a non-partisan in Washoe County Commission District 4 was timely filed with the Washoe County Registrar of Voters (hereinafter Registrar).
2. I am filing this formal appeal of the determination of insufficiency regarding my petition of non-partisan candidacy for the position of Washoe County Commissioner, District 4, as communicated by the Secretary of State and Washoe County Registrar of Voters. Although the general notice of insufficiency was dated June 21, 2024, I did not receive it until June 24, 2024. With my petition I have submitted copies of the emails with notes that my petition has failed to meet the statutory standard of 100 valid signatures.
3. I have requested several times by phone and emails for a cop of my petition and the names of the 24 disqualified signators from both the Washoe County Registrar of Voters and the Secretary of State as to exactly why certain signatures were not certified as valid.
4. I have not yet received the documents requested.
